VIII. Notes and Agreements

I further acknowledge that the above statements and particulars, or any statements and particulars made in any and all documents, applications, supplemental pages or other attachments (hereinafter "**Attachments**") for the purposes of my initial or renewal application, are true and that I have not knowingly suppressed or misstated any material facts and I or any applicant agree that this application, and any **Attachments**, shall be the bases of the contract with the Company. I agree to notify the Company if there are any future material changes in any answer to this application, or its **Attachments**, including without limitation, any change in professional specialty, affiliation or working arrangement with any other healthcare provider, facility, firm or professional association.

Where allowed by state law, I understand that any material misrepresentation or omission made by me on this application may act to render any contract of insurance null and without effect or provide the Company with the right to rescind it. By making this application, I am not relying upon any oral or written representation that coverage has or will be extended to me or that a policy of insurance will be issued.

If Arizona:

I understand that, to the extent permitted by law, the Company reserves the right to deny coverage for any claim submitted under this policy if I have made misrepresentations, omissions, or incorrect statements, or if I have concealed facts that are: (1) fraudulent; (2) material either to the acceptance of the risk or to the hazard assumed by the Company; and (3) the Company in good faith would either not have issued the policy, or would not have issued the policy in as large an amount, or would not have provided coverage with respect to the hazard resulting in the loss, if the true facts had been made known to the Company as required either by this application for the policy, subsequent notice, or otherwise.

If Delaware:

Misrepresentations, omissions, concealment of facts and incorrect statements shall not prevent a recovery under the policy or contract unless either: (1) Fraudulent; or (2) Material either to the acceptance of the risk or to the hazard assumed by the insurer; or (3) The insurer in good faith would either not have issued the policy or contract, or would not have issued it at the same premium rate or would not have issued a policy or contract in as large an amount or would not have provided coverage with respect to the hazard resulting in the loss if the true facts had been made known to the insurer as required either by the application for the policy or contract or otherwise.

If Georgia:

I understand that any material misrepresentation or omission made by me on this application may provide the Company with the right to cancel the policy and/or deny coverage for any claim submitted under this policy if I have made misrepresentations, omissions, or incorrect statements, or if I have concealed facts that are: (1) fraudulent; (2) material either to the acceptance of the risk or to the hazard assumed by the Company; and (3) the Company in good faith would either not have issued the policy, or would not have issued the policy in as large an amount, or would not have provided coverage with respect to the hazard resulting in the loss, if the true facts had been made known to the Company as required either by this application for the policy, subsequent notice, or otherwise. By making this application, I am not relying upon any oral or written representation that coverage has or will be extended to me or that a policy of insurance will be issued.

If Kansas:

An insurer shall not be required to provide coverage or pay any claim involving a fraudulent insurance act. A fraudulent insurance act is committed by any person who, knowingly and with intent to defraud, presents, causes to be presented or prepares with knowledge or belief that it will be presented to or by an insurer, purported insurer, broker or any agent thereof, any written statement as part of, or in support of, an application for the issuance of, or the rating of an insurance policy for personal or commercial insurance, or a claim for payment or other benefit pursuant to an insurance policy for commercial or personal insurance which such person knows to contain materially false information concerning any fact material thereto; or conceals, for the purpose of misleading, information concerning any fact material thereto.

If Maine:

I understand that any material misrepresentation or omission made by me on this application may cause coverage to be cancelled and/or denied. However, we maintain the right to request a ruling from the Maine Courts on voidance or rescission of this policy. By making this application, I am not relying upon any oral or written representation that coverage has or will be extended to me or that a policy of insurance will be issued.

If New Hampshire:

I understand that any material misrepresentation or omission made by me on this application may provide the Company with the right to cancel my policy pursuant to state law and pursue further legal action against me. By making this application, I am not relying upon any oral or written representation that coverage has or will be extended to me or that a policy of insurance will be issued.

If Oklahoma:

I understand that any material misrepresentation or omission made by me on this application may act to render any contract of insurance null and without effect or provide the Company with the right to rescind it. By making this application, I am not relying upon any oral or written representation that coverage has or will be extended to me or that a policy of insurance will be issued.

If Vermont:

Where allowed by state law, I understand that any material misrepresentation or omission made by me or any other applicant on this application may act to render any contract of insurance null and void and without effect or provide the Company the right to cancel it. By making this application, I am not, nor is any other applicant relying upon any oral or written representation that coverage has or will be extended or that a policy of insurance will be issued.

If Washington:

I understand that any intentional concealment or material misrepresentation made by me, or someone acting on my behalf, on this application may act to render any contract of insurance null and without effect. By making this application, I am not relying upon any oral or written representation that coverage has or will be extended to me or that a policy of insurance will be issued.

I further understand and agree that I have no right to demand or expect coverage until the company has: (1) received my completed application; (2) my application has been accepted by the Company; and (3) received, as a precondition to coverage, the total premium due or, if the Company has agreed to finance the premium, the first installment due. In addition, I understand that if I pay my premium or first installment by check, electronic transfer, credit card payment or money order, it shall not be considered as "received" by the company until it has been honored by the bank.

If Illinois:

I further understand and agree that I have no right to demand or expect coverage until the Company has: (1) received my completed application; (2) offered me a premium quote; and (3) received, as a precondition to coverage, the total premium due or, if the Company has agreed to finance the premium, the first installment due. In addition, I understand that if I pay my premium or first installment by check, electronic transfer or money order, my policy shall not be deemed to have been issued or delivered and shall not be applicable to any matter which may have been covered under the policy if the payment is later dishonored by the bank.

I agree that if I fail to comply with these terms I will have no coverage for any claim under any policy of insurance for which I am applying.

If California:

I understand that if I cancel or terminate any coverage that may be provided by the Company, earned premium shall be computed in accordance with the standard short rate tables and procedures with a maximum penalty of up to 11%. Premium adjustments shall be made within a reasonable period of time after cancellation or termination. However, payment or tender of unearned premium shall not be a condition of cancellation.

I also understand that the Company may wish to contact persons, hospitals, schools, employers, insurance agents, professional liability insurers or other entities to verify and/or ascertain information regarding my credentials and background both prior to and if issued, after the issuance of a contract of insurance. Therefore, I hereby instruct any such person, hospital, school, employer, insurance agent, professional liability insurer or other entity to release to the company any information regarding me, which the Company, in good faith, believes to be applicable and pertinent to this application and if issued, the contract of insurance issued hereunder.

The Delaware Civil Union & Equality Act of 2011

The Medical Protective Company recognizes the rights afforded to individuals under The Delaware Civil Union & Equality Act of 2011 including the following:

Parties to a civil union shall have all of the same rights, protections and benefits, and shall be subject to the same responsibilities, obligations and duties, under Delaware law as are granted to, enjoyed by, or imposed upon married spouses. A party to a civil union shall be included in any definition or use of the terms "dependent", "family", "husband and wife", "immediate family", "next of kin", "spouse", "stepparent", "tenants by the entirety", and other terms, whether or not gender-specific, that denote a spousal relationship or a person in a spousal relationship, as those terms are used throughout Delaware law. For all purposes of Delaware laws that refer to marriage or marital status, other than Chapter 1 of Title 13 of the Delaware Code, parties to a civil union will be included in such reference. The Act automatically recognizes as civil unions for all purposes of Delaware law legal unions between two persons of the same sex, such as civil unions, marriages and domestic partnerships that are validly formed in jurisdictions other than Delaware and are substantially similar to Delaware civil unions.

Compliance with Illinois Bulletin 2011-06 and The Religious Freedom Protection and Civil Union Act

The Medical Protective Company recognizes the rights afforded to individuals under The Religious Freedom Protection and Civil Union Act which states:

"The parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions."

NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN INSOLVENCY UNDER THE MINNESOTA INSURANCE GUARANTY ASSOCIATION LAW

The financial strength of your insurer is one of the most important things for you to consider when determining from whom to purchase a property or liability insurance policy. It is your best assurance that you will receive the protection for which you purchased the policy. If your insurer becomes insolvent, you may have protection from the Minnesota Insurance Guaranty Association as described below but to the extent that your policy is not protected by the Minnesota Insurance Guaranty Association or if it exceeds the guaranty association's limits, you will only have the assets, if any, of the insolvent insurer to satisfy your claim.

Residents of Minnesota who purchase property and casualty or liability insurance from insurance companies licensed to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer becomes insolvent. This protection is provided by the Minnesota Insurance Guaranty Association.

Minnesota Insurance Guaranty Association
7600 Parklawn Ave # 460
Edina, MN 55435-5137
(952) 831-1908

The maximum amount that the Minnesota Insurance Guaranty Association will pay in regard to a claim under all policies issued by the same insurer is limited to \$300,000. This limit does not apply to workers' compensation insurance. Protection by the guaranty association is subject to other substantial limitations and exclusions. If your claim exceeds the guaranty association's limits, you may still recover a part or all of that amount from the proceeds from the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The guaranty association assesses insurers licensed to sell property and casualty or liability insurance in Minnesota after the insolvency occurs. Claims are paid from the assessment.

THE PROTECTION PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY OR POLICY, YOU SHOULD NOT RELY ON PROTECTION BY THE GUARANTY ASSOCIATION.

THIS NOTICE IS REQUIRED BY MINNESOTA STATE LAW TO ADVISE POLICYHOLDERS OF PROPERTY AND CASUALTY INSURANCE POLICIES OF THEIR RIGHTS IN THE EVENT THEIR INSURANCE CARRIER BECOMES INSOLVENT. THIS NOTICE IN NO WAY IMPLIES THAT THE COMPANY CURRENTLY HAS ANY TYPE OF FINANCIAL PROBLEMS. ALL PROPERTY AND CASUALTY INSURANCE POLICIES ARE REQUIRED TO PROVIDE THIS NOTICE.
